ORLANDO - William "Bo" Bradford, CCIM, SIOR, and Tom McFadden, SIOR, of Southern Commercial Real Estate Advisors recently closed the purchase of an 8,000sf office/warehouse property off Edgewater Drive.

The property was for FLA-CAT, which recently sold a 24,120sf industrial office/warehouse property in Apopka through Southern Commercial. Bradford and McFadden represented the buyer, L&B Properties LLC of Longwood. The seller, Island Diversified Holdings of Merritt Island, was represented by Jim Small of Watson Realty.

This new facility will serve as FLA-CAT's new corporate headquarters and will allow the firm to operate more efficiently.
